*He has made everything beautiful in its time. He has also set eternity in the hearts of men; yet they cannot fathom what God has done from beginning to end.*

*Ecclesiastes 3:11 NIV*

This clock not only tells time but it represents and describes time as being infinite and everlasting. The design begins at the top with Adam & Eve in the Garden of Eden tempted by the serpent and eating from the tree of Knowledge of Good and Evil. At the bottom the Lion and the Lamb lying down together represents the time of peace when Jesus will reign as King over the earth. This is a depiction of what this design means to me.

This design took about four to five years to complete, only because I went back and forth from one design/pattern to another.

I have this design proudly hanging on my wall in my Den playing the Westminster Chimes.
